

Operations Intern Target Distribution

Purpose:

As a Distribution Center Operations Intern, you will have the opportunity to make an impact in a Target distribution center as an executive in training and project leader.

In this role, you will support and lead a large team in applying cutting-edge technologies to optimize our critical supply chain network. You will acquire a significant knowledge base of supply-chain operations through a comprehensive training program. Upon completion of this internship, you will gain effective leadership and project management skills, as well as valuable insight into becoming a leader at Target. Distribution's fast-paced culture requires dedicated people who get immense satisfaction from motivating themselves and others every day.

See Yourself:

- Gaining exposure to our supply chain network and leadership team
- Receiving technical training and leadership mentoring to help you become a strong Target leader
- Working with the team to evaluate existing operating methods and championing continuous improvement
- Establishing and maintaining an open path of communication between you and other DC team members
